

"Education is the key to the world" is the motto of the **Frankfurt University of Applied Sciences (Frankfurt UAS)**. Internationality, diversity and social responsibility are our values. Ours is an institution dedicated to lifelong learning and an innovative research and development partner in the region. Our more than 16.000 students and 900 employees in teaching, research and central administration are responsible of it.

The Faculty 3: Business and Law at Frankfurt University of Applied Sciences is home to over 3,700 students, who are supported by a team of more than 130 professors, lecturers, research assistants, instructors and administrative staff.

Our Faculty 3: Business and Law
is looking for

a Professor

(W2 salary scale HBesG, Hessian Federal Civil Service Remuneration Act)

in the following subject area:

Business Law

reference number: P10/2023

beginning as soon as possible

The job profile of the position includes the representation of the above-mentioned subject area within the framework of courses in our Bachelor's and Master's degree programs in German and English. The focus of the activities is primarily on courses in private business law.

We are looking for applicants who can present and represent courses in this subject area in the broad range of our degree programs. A relevant degree and an excellent doctoral performance are required. Practical experience in the subject area of the advertisement is desirable.

As the Frankfurt UAS places emphasis on engagement in **research**, proven research interest would be an asset. Commitment in our interdisciplinary competence centers in the House of Science and Transfer (HoST) or in the School of Personal Development and Education (SCOPE) is also desirable.

Applicants will be requested to submit a teaching and research concept that meets the requirements of the position.

Please take note of the information found here: www.frankfurt-university.de/Fb3-Bewerbung

We refer to the employment requirements according to §§ 67 und 68 of the Hessian Higher Education Act.

For further information please contact Prof. Dr. Domenik Wendt by e-mail: wendt@fb3.fra-uas.de

We expect from our professors:

High presence at the institution of higher education and intensive care of our students; participation in basic training i.e. the representation of the relevant field in an introductory form in all degree

courses of the faculty; qualification and aptitude to research and successful acquisition of third party funding; gender and diversity competence; participation in international activities of the institution of higher education, including teaching in the English language; participation in the interdisciplinary Studium generale; contributions to offers in continuing education, life-long learning and eLearning; taking on responsibility in the frame of academic self-administration; continuing education in the technical discipline and higher education didactics; willingness to cooperate cross-regionally with other institutions of higher education in the region; dedication and initiative in the frame of a service-oriented salary.

The hiring conditions are in accordance with §§ 67 and 68 of the Hessian Higher Education Act.

This is a permanent contract. The first appointment as a professor is

**either as a public-service employee on probation
or with an unlimited employment contract with a 3-year long probation period.**

Further official duties and requirements are listed under §§ 67-69, 75 und 76 of the Hessian Higher Education Act and can be viewed under www.hmwk.hessen.de.

The Frankfurt University of Applied Sciences encourages applications from women in order to elevate the employment share. Persons with disabilities is given preference in the frame of currently valid regulations.

Applications with supporting documents (incl. publication list, projects, depiction of teaching and research activities) are requested **via E-mail (compiled in one pdf file) until April 27, 2023** including the position number to be sent to: personal-prof-beamt@hr.fra-uas.de
