

With over 15,500 students, four departments with more than 270 professors and more than 1,000 employees in teaching, research and central service units, Frankfurt University of Applied Sciences is one of the largest universities of applied sciences in Germany. "Opportunities through education" is our living motto. Practical relevance, interdisciplinary education, international orientation and regional integration characterize our profile. Diversity and social responsibility are our values. We are sustainable in all dimensions. Excellent quality in teaching and research is our aspiration.

We are looking to fill the following position in Faculty 2: Computer Science and Engineering as soon as possible.

Professor (W2 salary scale HBesG, Hessian Federal Civil Service Remuneration Act)

in the following subject area:

Automation Technology

Job advertisement number P24/2023

The candidate will represent the field of Automation Technology within the Electrical Engineering degree programs. Industrial and practical expertise and experience in the following areas are required:

Automation Technology, Control Technology, Industry 4.0, and sustainability in the field of Automation

Knowledge of industrial sensor technology and robotics is preferred.

Job requirements:

The successful candidate will be expected to carry out application-oriented research activities in at least one of the fields of expertise listed above. We further expect the post holder to teach introductory courses in Electrical Engineering and in the aforementioned fields of expertise to students of other degree programs. A relevant undergraduate/postgraduate degree and a PhD are generally required.

For further information, please e-mail Professor Nauth at pnauth@fb2.fra-uas.de

The position is available for an unlimited period of time. When first appointed to a professorship, employment is initially on a probationary civil service basis or on a permanent employment basis with a three-year probationary period.

Conditions of employment, further duties and prerequisites result from §§ 67 - 69, 75 and 76 of the Hessian Higher Education Act; to be viewed at www.hmwk.hessen.de.

We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age, and sexual orientation and identity. People with disabilities are given preference in cases of equal personal and professional suitability. As a holder of the "Family-friendly University" certificate, the university will take your individual family situation into account when organizing your working hours.

Applications with the usual informative documents (incl. list of publications, projects, description of previous teaching and research activities) are requested **by September 30, 2023**, quoting the reference number, by e-mail to info-prof@hr.fra-uas.de (please send all documents in one PDF file):
