

With over 15,500 students, four departments with more than 270 professors and more than 1,000 employees in teaching, research and central service units, Frankfurt University of Applied Sciences is one of the largest universities of applied sciences in Germany. "Opportunities through education" is our living motto. Practical relevance, interdisciplinary education, international orientation and regional integration characterize our profile. Diversity and social responsibility are our values. We are sustainable in all dimensions. Excellent quality in teaching and research is our aspiration.

At the beginning of the winter semester 2024/25 **Faculty 2: Computer Science and Engineering**, which is our biggest faculty with 5800 students and 80 professors, wants to fill the position of a

## Professor

### (W2 salary scale HBesG, Hessian Federal Civil Service Remuneration Act)

in the following subject area:

Artificial Intelligence in Communication Networks

Job advertisement number P34/2023

The position owner is expected to represent the area of Artificial Intelligence in Communication Networks. She/he is part of a group of professors of Communication Technology and can participate in application-oriented research in the field of AI with other faculty professors. Applications are invited from outstanding candidates demonstrating experience in AI methods, communication networks, and software development. Furthermore, the new faculty member will teach undergraduate and graduate courses, e.g., Bachelor Elektrotechnik und Informationstechnik or international Master Information Technology. Teaching in German is mandatory in many courses. You're invited to be part of our Computer Science doctorate center.

For further information, please get in touch with Prof. Dr. Pech by emailing [pech@fb2.fra-uas.de](mailto:pech@fb2.fra-uas.de)

The position is available for an unlimited period of time. When first appointed to a professorship, employment is initially on a probationary civil service basis or on a permanent employment basis with a three-year probationary period.

Conditions of employment, further duties and prerequisites result from §§ 67 - 69, 75 and 76 of the Hessian Higher Education Act; to be viewed at [www.hmwk.hessen.de](http://www.hmwk.hessen.de).

We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age, and sexual orientation and identity. People with disabilities are given preference in cases of equal personal and professional suitability. As a holder of the "Family-friendly University" certificate, the university will take your individual family situation into account when organizing your working hours.

Applications with the usual informative documents (incl. list of publications, projects, description of previous teaching and research activities) are requested **by December 15, 2023** quoting the reference number, by e-mail to [info-prof@hr.fra-uas.de](mailto:info-prof@hr.fra-uas.de) (please send all documents in one PDF file):
