

With over 15,500 students, four departments with more than 270 professors and more than 1,000 employees in teaching, research and central service units, Frankfurt University of Applied Sciences is one of the largest universities of applied sciences in Germany. "Opportunities through education" is our living motto. Practical relevance, interdisciplinary education, international orientation and regional integration characterize our profile. Diversity and social responsibility are our values. We are sustainable in all dimensions. Excellent quality in teaching and research is our aspiration.

We are looking to fill the following position in Faculty 1: Architecture • Civil Engineering • Geomatic beginning summer semester 2025.

Professor (W2 salary scale HBesG, Hessian Federal Civil Service Remuneration Act)

in the following subject area:

Theory and History of Architecture

Job advertisement number P37/2023

We are looking for a highly experienced professional in the field of architecture and building history, with a successfully completed university degree, preferably in the field of architecture. A suitability for academic work in the subject area, qualifications in design teaching, pedagogical aptitude and competence, as well as subject-related experience in an academic context are required.

The post holder will represent the Department of Architectural Theory and Building History in the consecutive Bachelor's and Master's degree programmes of the department, but especially in teaching and research in the Bachelor's and Master's degree programmes "Architecture" and the English-language Master's degree programme "Advanced Architecture". Experience and additional qualifications in the field of heritage conservation and building in existing structures are an advantage.

Your tasks:

- Teaching in the basic modules of architectural theory and architectural history as well as in-depth theory-related elective subjects and the supervision of design and final theses in the above-mentioned degree programmes.
- Teaching of technical, methodological and in particular scientific competences.
- Ability to teach in German and English.
- Expanding and maintaining the department's international contacts.

If you have any further questions, please contact Prof Stefanie Eberding by e-mail at stefanie.eberding@fb1.fra-uas.de. For more information on employment at Faculty 1, please refer to www.frankfurt-university.de/infofb1.

The position is available for an unlimited period of time. When first appointed to a professorship, employment is initially on a probationary civil service basis or on a permanent employment basis with a three-year probationary period.

Conditions of employment, further duties and prerequisites result from §§ 67 - 69, 75 and 76 of the Hessian Higher Education Act; to be viewed at www.hmwk.hessen.de.

We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age, and sexual orientation and identity. People with disabilities are given preference in cases of equal personal and professional suitability. As a holder of the "Family-friendly University" certificate, the university will take your individual family situation into account when organizing your working hours.

Applications with the usual informative documents (incl. list of publications, projects, description of previous teaching and research activities) are requested **by January 31, 2024**, quoting the reference number, by e-mail to info-prof@hr.fra-uas.de (please send all documents in one PDF file):
