

With over 15,500 students, four departments with more than 270 professors and more than 1,000 employees in teaching, research and central service units, Frankfurt University of Applied Sciences is one of the largest universities of applied sciences in Germany. "Opportunities through education" is our living motto. Practical relevance, interdisciplinary education, international orientation and regional integration characterize our profile. Diversity and social responsibility are our values. We are sustainable in all dimensions. Excellent quality in teaching and research is our aspiration.

We are looking to fill the following position in Faculty 4: Health and Social Work as soon as possible.

Professor (W2 salary scale HBesG, Hessian Federal Civil Service Remuneration Act)

in the following subject area:

Concepts and methods of social work in healthcare

Job advertisement number P08/2024

Tasks:

You will represent the field of social work in healthcare in teaching and research, including concept development and reflective methods in theory and practice in various teaching formats as well as action-oriented research in theory-practice transfer.

Profile:

You have a relevant social science or comparable university degree, preferably in social work or educational science or pedagogy, a relevant doctorate and corresponding publications, as well as sound knowledge of relevant concepts of action, methods and research of social work in the health care system, also with regard to the self-determination and participation of addressees with disabilities in cross-field contexts.

Experience in teaching is desirable, as well as good international, national and local networking and the willingness to further develop or expand this, as well as professional experience in a professional field of health-related social work.

As the holder of this position, you will teach in the department's degree programs that match your profile. Furthermore, we require knowledge of and experience with application-oriented methods of action as well as theory-practice transfer.

In addition to the application documents listed below, we ask you to submit a teaching and research concept that meets the requirements of the position.

The ability to teach in German and English is a prerequisite.

The position is available for an unlimited period of time. When first appointed to a professorship, employment is initially on a probationary civil service basis or on a permanent employment basis with a three-year probationary period.

Conditions of employment, further duties and prerequisites result from §§ 67 - 69, 75 and 76 of the Hessian Higher Education Act; to be viewed at www.hmwk.hessen.de.

We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion/belief, disability, age, and sexual orientation and identity. People with disabilities are given preference in cases of equal personal and professional suitability. As a holder of the "Family-friendly University" certificate, the university will take your individual family situation into account when organizing your working hours.

Applications with the usual informative documents (incl. list of publications, projects, description of previous teaching and research activities) are requested **by March 10, 2024** quoting the reference number, by e-mail to info-prof@hr.fra-uas.de (please send all documents in one PDF file):
