

The Chair for Sustainability at Faculty 3 – Business & Law - is currently looking for a

Student Assistant ('Stud. Hilfskraft') (f/m/d)
(as part of an exciting international research project)
(30 – 50 hrs./ month)

Your Tasks:

- Systematic literature research on the topics of Climate adaptation and Emotions as well as Ontological Security (in intl. scientific databases).
- Summary of existing research in presentations.
- Preparation of Miro Boards for online workshops.

What are we looking for?

- A motivated, reliable and easy-to-work-with person.
- A strong interest in research about Sustainability Innovations.
- Experiences with conducting scientific literature research.
- First experiences or willing to work with referencing systems (e.g. Zotero).
- Optional: working experience with designing MIRO boards.

What we can offer you:

- Flexible working hours and the opportunity to work remotely from home.
- Insights into an exciting international research project!
- Relevant experiences and competencies for your further studies of professional life with conducting scientific work.
- An official payment of 12,48 EUR / hr. for Student Assistants (without first degree) and 14,05 EUR / hr. Scientific Assistants (with first degree).
